

DEBLOVIATION

Professor Windbag loves the sound of his own voice. During his recent lecture on the decline of writing skills in the Internet Age, he rattled off a dozen unrecognizable slang terms. Can you undo his bloviations and text me your answers? TIA!

Example

"With the urgency of a thousand blazing suns, let it be known that your request shall be attended to forthwith, as if it were a celestial decree from the highest of heavens."

Solution

ASAP

1. "Embrace the creed, dear friend, that your fleeting dance demands audacity and adventure, for we tread this mortal coil but a single time, with fearless abandon and unwavering zest!"
2. "Pray abjure, for you have delved into a realm of excessive revelation, pouring forth a deluge of details that threaten to drown my unsuspecting ear."
3. "Let it be known that we shall traverse the winding paths of existence in perpetuum as unwavering allies."
4. "Fear not, for I shall momentarily vanish from this discourse, akin to a mischievous imp retreating into the ethereal shadows, only to return with renewed wit and banter."
5. "Lo and behold, as the tapestry of discourse unfurls, let me interject a delightful nugget of knowledge into our banter, for it is a charming aside to ponder."
6. "By the quill of Shakespeare, I must exclaim with fervor and bewilderment that such perplexity has assaulted mine senses!"
7. "Alas, in the face of such fatuousness, my noggin sways in a rhythmic dance of disapproval, a silent protest to the tumultuous whims of the world."
8. "As humor takes hold and tickles the very depths of my being, I find myself tumbling in uproarious delight like a possessed jester!"
9. "In the grand theater of existence, where life's tapestry unfurls, let not the whimsical tides of excitement escape you, for 'tis the mirthful dance of Embrace, where no fleeting moment goes unseized, and you shall revel in the abundance of the present."
10. "By the celestial forces above! Witness the marvel that has unfolded before mine eyes, for it has left me in a state of bewilderment and astonishment beyond compare!"
11. "Verily, as the quips come to pass and mirth cascades like a river of bubbling joy, my cachinnation resounds, echoing through the hallowed halls of hilarity."
12. "In the spirit of camaraderie, allow me to grace you with a boon of elucidation."
