

Puzzles for Mothers Day

Sunday Brunch

You are just about to go meet everyone for Sunday brunch. You misplaced your keys. Can you locate them? Like any family, there are multiple "KEYS" hidden. You only have to find one. (Thanks to Ryan and Toni for finding the extras!)

My answer is on the last page. You still make it to Sunday brunch if you find any others!

Fallback Plan

Amy's children have a full day planned for her, but they've made a mess. Unscramble each set of letters to see what's on the itinerary.

That's My Mama

Amy's darling children made a mess of this event, too! They made a single list of 15 names instead of three lists of 5. Still, Amy was able to match each fictional child and mother to the television show in which they both appear. Can you match them all? The first row is an example, based on an old television show.

Answers are on last page.
